

The background of the image is a close-up, shallow depth-of-field shot of a beach. In the foreground, dark, coarse-grained sand is visible, interspersed with numerous smooth, light-colored (off-white or pale grey) pebbles and shells. Some of the shells appear to be broken or flattened. The background is a soft-focus expanse of similar beach material, creating a textured, natural setting. Centered in the middle of the image is a solid teal-colored square. Inside this square, the text "ArcBBQ" is written in a white, thin-lined, sans-serif font. The letters are evenly spaced and have a clean, modern appearance. Directly beneath the text, a short, horizontal orange line is centered, acting as a decorative underline.
